

Definitions: Am38 Bookings (Mauritius) Ltd shall be referred to as “Am38”

Client or person who will use the website to browse, view and book a car shall be referred to as the “Customer”

Booking Amendments

In the event that the customer requires a car for a longer period than the agreed rental period, the customer must obtain a written consent from the office of AM38 via email to am38@carrental.icu at least **48 hours** prior to the termination of the agreed rental period.

Without no consent from the office of Am38, the customer will not have the right to extend the rental nor will he be covered by the rental agreement.

In the event that the customer requires an amendment to your drop off location, he is required to contact the office of Am38 at least forty-eight (**48 hours**) to car return. This may entail an additional displacement fee in the event that Am38 does accept the amendment of change of drop off location.

If, at time of pickup, it becomes impossible to provide the booked car as shown on your rental receipt due to breakdown or an accident or any other reason due to unforeseen circumstances, a similar/equivalent or upgraded car will be provided by AM38.

The car shown on the voucher is for guidance only, the photos being non-contractual and may be substituted for an alternative, similar or upgraded car (at no extra cost) at the option of AM38.

If an incorrect vehicle is booked through our website, Am38 will not be held responsible. Subject to availability, Am38 may offer an alternative vehicle, and any price difference will be adjusted accordingly. If no alternative vehicle is available at the time of pickup, no refund will be provided.
